

Agustín Arias

*Applied Mathematician & AI Architect — Elite
STEM Specialist*

Buenos Aires
Argentina
✉ agustinntarias@gmail.com

Professional Profile

Applied Mathematician (UBA) and National Physics Olympiad Gold Medalist with over 5 years of professional experience in high-end online STEM education and academic mentorship. Specializing in advanced Mathematics, Physics, and Computer Science for international curricula (IB HL, A-Levels) and university undergraduates. Combines rigorous academic training with technical industry expertise as an AI Architect and Data Scientist to foster deep, first-principles mathematical intuition.

Core Tutoring & Academic Experience

- 2024–Present **Premium International STEM Tutor**, TutorChase.com, International
- Maintained a **4.6/5.0 rating** across lessons delivered online to an international student base tracking toward elite global universities.
 - Provided expert instruction for highly competitive exam boards: **IB Mathematics Analysis and Approaches (AA SL/HL)**, **IB Mathematics Applications and Interpretation (AI SL/HL)**, and **IB Physics (SL/HL)**.
 - Delivered specialized preparation for UK **A-Level Mathematics and Physics**, optimizing study techniques for high-density curriculum mastery and finals prep.
- 2020–Present **Senior Virtual STEM Instructor**, Estudi.com.ar, Argentina
- Delivered **408 online classes** with a **4.4/5.0 rating** from 138 evaluated reviews, specializing in advanced engineering, actuarial, and mathematics tracks.
 - Conducted high-level undergraduate tuition in **Calculus I–III**, **Differential Equations**, **Probability**, **Classical Mechanics**, **Electromagnetism**, and **Data Structures** for students at top-tier regional institutions (UBA, ITBA).
- 2021–Present **Assistant Professor of Mathematics & Physics**, *University of Buenos Aires (UBA)*, CABA, Argentina
- Conducted undergraduate lectures and recitation sessions in **Linear Algebra**, **Numerical Calculus**, and **Mathematical Analysis I to IV** for Engineering and Physics tracks.
 - Structured advanced lesson frameworks, coordinated grading parameters, and participated in organizing university-level science and technology exhibitions.

Education & Academic Credentials

2020–2026 **M.Sc. in Mathematics**, *University of Buenos Aires (UBA)*, Argentina

Honors & Certifications

- 2015 **Gold Medal** – Argentine National Physics Olympiad (OFA)
- 2019 **Honorable Mention** – Argentine Interuniversity Mathematics Competition
- 2018 **Certificate of Proficiency in English (CPE)** – Cambridge Assessment English (C2 Level)

Skills & Technical Environments

Tutoring	Interactive Screen Sharing, Digital Tablet Pen Orchestration, Visual Whiteboard
Delivery	Environments (Bitpaper, GeoGebra, Desmos).
Technical Tools	Python, LaTeX, C++, Matlab.
